

# PORT OF TYNE NORTH BANK FACILITY CHARGES 2021

Please find below a tariff for services offered by the Port at its North Bank facilities, which include Northumbrian Quay, Whitehill Point and the International Passenger Terminal's (IPT) RoRo berths 3 and 4.

Please note Port of Tyne Conservancy, River Berth, Quay Facility, Lay-by and Marine Pilotage charges are contained in the Ports Schedule of Charges, 2021.

## These tariffs are based on the following:

- Weekday (excluding Bank Holiday) operations 0800 to 1600 hours only (normal hours)
- Plant hire charge include the provision of a suitably qualified operative
- Provision of plant and labour subject both to availability and the signing of relevant indemnity forms
- Hire of all items of plant and labour subject to a minimum charge of 4 hours
- Overtime Charges:  
Weekday working outside 0800 to 1600 hours and all weekend working + 25%  
All Bank Holidays + 50% (minimum charge of 8 hours)
